

Michigan DHHS Announced as 2016 NASCIO Award Finalist

CNSI is proud to announce that its client, the Michigan Department of Health and Human Services, was selected as a finalist for the National Association of State Chief Information Officers (NASCIO) State IT Recognition Award. The State was nominated for their Michigan Medicaid as a Service initiative in the Cross Boundary Collaboration and Partnership category. Finalists were selected by the NASCIO Awards Committee from a field of more than 130 nominees. The recipient in each category will be announced at the upcoming NASCIO Annual Conference in Orlando, Florida this September. This year's high quality of nominations shows that states continue to innovate and achieve great results.
