

Michigan DHHS Wins 2016 NASCIO Award

Last week, CNSI's client, the Michigan Department of Health and Human Services, was given the National Association of State Chief Information Officers (NASCIO) State IT Recognition Award for their Michigan Medicaid as a Service initiative. The State was recognized for its outstanding technology achievements in the Cross Boundary Collaboration and Partnership category. Awardees were selected by the NASCIO Awards Committee from a field of more than 130 nominees and were announced at the NASCIO Annual Conference in Orlando, Florida.
