

CNSI Ranks #15 on Washington Business Journal's 2007 "Top 25 Systems Integrators" List

ROCKVILLE, MD – CNSI, a mature provider of innovative IT business solutions for government and commercial enterprises, today announced that it ranks #15 on Washington Business Journal's 2007 "Top 25 Systems Integrators" list. Rankings are based on 2006 revenue. With 2006 revenues of \$129.6 million, this is CNSI's second year on this prestigious list, climbing 10 spots from last year. 2006 represented CNSI's 12th consecutive year of growth.

ROCKVILLE, MD – CNSI, a mature provider of innovative IT business solutions for government and commercial enterprises, today announced that it ranks #15 on Washington Business Journal's 2007 "Top 25 Systems Integrators" list. Rankings are based on 2006 revenue. With 2006 revenues of \$129.6 million, this is CNSI's second year on this prestigious list, climbing 10 spots from last year. 2006 represented CNSI's 12th consecutive year of growth. "CNSI continues on an impressive growth trend because of its unwavering focus and commitment to customers and innovation," said Adnan Ahmed, chief strategy officer. "Innovation and technical excellence drive CNSI's differentiation and growth in the government IT marketplace." CNSI is regularly recognized by industry pundits and third-party organizations. In May, the Tech Council of Maryland (TCM)/MdBio recently named CNSI "2007 High Technology Firm of the Year".

CNSI was also the recipient of Frost & Sullivan's "2006 Customer Value Enhancement Award". Frost & Sullivan selected CNSI based on its customer-centric approaches and solutions, which have enabled the company to bring technological advancements to the North American Healthcare IT Market." CNSI

maintains a commitment to bring technological advancements to the industry and a dedication to provide quality service to its customers, " said Frost & Sullivan Research Analyst S. Priyan Viswanathan.
