

Jim Garrettson, CEO of Executive Mosaic, Presents Todd Stottlemeyer, CEO of Client Network Services, Inc., His First Wash100 Award

Jim Garrettson, founder and CEO of Executive Mosaic, presented Todd Stottlemeyer, CEO of Client Network Services, with his first [Wash100 Award](#) on Tuesday.

Executive Mosaic recognizes Stottlemeyer for leading the CNSI health IT initiative and driving innovation inside the company. We are honored to present the most coveted award in government contracting to Todd Stottlemeyer of CNSI.

Stottlemeyer joined CNSI as CEO in 2018 and leads the company's management with an emphasis on identifying new strategic markets and leveraging relationships with customers and partners. Stottlemeyer served as the CEO of Inova Center for Personalized Health, Acentia, Apogren and the National Federation of Independent Business.

In addition, Stottlemeyer also serves as a board member for Verato, LMI, IST Research Corp., the Northern Virginia Technology Council and served as a board member with the Northern Virginia Chamber of Commerce for 27 years. Since 2009 Stottlemeyer has been a venture partner with Blue Delta Capital Partners.

He earned his bachelor's degree, Phi Beta Kappa, from William

& Mary and a law degree, cum laude, from Georgetown University Law Center.

About the Wash100

The Wash100 award, now in its sixth year, recognizes the most influential executives in the GovCon industry as selected by the Executive Mosaic team in tandem with online nominations from the GovCon community. Representing the best of the private and public sector, the winners demonstrate superior leadership, innovation, reliability, achievement and vision.

Visit the Wash100 site to learn about the other 99 winners of the 2019 Wash100 Award. On the site, you can [submit your 10 votes](#) for the GovCon executives of consequence that you believe will have the most significant impact in 2019.

About CNSI

CNSI delivers a broad range of health information technology enterprise solutions and customizable products to a diverse base of state and federal agencies. We align, build, and manage innovative, high-quality, cost-effective solutions that help customers achieve their mission, enhance business performance, reduce costs, and improve the health for over 50 million Americans. Headquartered in Rockville, Maryland, with locations throughout the U.S. and India, CNSI employs a world-class team of technologists, program managers, and subject matter experts, all of whom have experience with large scale mission-critical information technology implementations. CNSI's website is: <http://www.cns-inc.com>.
