

National Denim Day

CNSI will once again get involved in a very worthy cause – the fight against Breast Cancer. On Friday, October 06, 2006, CNSI is inviting employees to wear denim to work in exchange for a \$5 tax-deductible donation to the Susan G. Komen Breast Cancer Foundation. Last year, a combination of employee donation and matching funds from the company, helped CNSI raise over \$3,000 for this cause. CNSI's goal is to exceed last year's donations by 25% and your assistance in meeting this goal will be greatly appreciated.

CNSI will once again get involved in a very worthy cause – the fight against Breast Cancer. On Friday, October 06, 2006, CNSI is inviting employees to wear denim to work in exchange for a \$5 tax-deductible donation to the Susan G. Komen Breast Cancer Foundation. Last year, a combination of employee donation and matching funds from the company, helped CNSI raise over \$3,000 for this cause. CNSI's goal is to exceed last year's donations by 25% and your assistance in meeting this goal will be greatly appreciated. As part of the Lee National Denim Day this year, you will partner with millions of others across America who will wear denim to work in support of finding a cure for a disease that affects one out of nine women in their lifetime.

The Komen Foundation receives 100% of the donations collected for breast cancer research, education, screening, and treatment programs. You can submit your contribution today. A donation of a minimum of \$5 will get your name listed on our "Wall of Ribbons." CNSI will match 50% of all donations raised by employees. The designated individuals at the locations listed below will collect your donations. For all others who are not at these locations and would like to donate, please send your contributions by check to 702 King Farm Blvd. 2nd Floor, Rockville, MD 20850; Attn: Sherylene Cruz. All checks should be made payable to: The Komen Foundation.

So remember – donate \$5 to get your name on a ribbon pasted on our wall, to wear jeans to work on October 6th, and to lend a hand in the fight against Breast Cancer. For more information, call Sherylene Cruz or Edna Hall, Lee National Denim Day Event Coordinators, at 301.634.4640, or visit www.denimday.com.
